Jill:

Good afternoon.

The Trust appreciates Metropolitan's comments and questions on the draft agenda ahead of tomorrow's quarterly call. All items identified in your attachment will be addressed during our call.

Attached to this email, please find NERT's response to Metropolitan's comments on the Weir Dewatering Treatment EE/CA. As always, the Trust would be happy to expand upon any of our responses if additional information is desired.

I will be forwarding a PDF of tomorrow's presentation prior to the call.

Subject: NERT 11/02/16 Stakeholder Conference Call - DRAFT Agenda

Good morning.

I have attached to this email a draft agenda for our upcoming quarterly call.

As requested by the Stakeholders, NERT has recently distributed a status update regarding the GWETS audit findings. This information was presented within the September GWETS Report distributed by Envirogen on October 21, 2016.

Prior to our upcoming conference call, NERT will also be distributing a response to Metropolitan's comments on the SNWA Weir Dewatering Treatment EE/CA and Amendment 2016-02 to the 2016 NERT Annual Budget.

We would like to receive Stakeholder feedback on attached agenda by the Friday, October 28th.

Thank you,

Andrew W. Steinberg
